#### HELLO FROM CHILDREN'S MINISTRY...

Children's Ministry at Annandale Evangelical Free Church exists to help fulfill the mission of our church. Our goal is to assist in raising up a faithful generation of children that **come, follow** and **serve**.

We want kids... to come to God by **knowing** him and his Word.

*John 17:3, Colossians 1:9-10*

to follow God by **loving** God and others.

*Matthew 22:37-39, 1 John 4:7-12*

and to learn to serve God by **servicing** their family, others, and their church. *Mark 10:45, Ephesians 2:10*

My prayer is that kids will fall in love with Jesus, his word, and his family and that they will want to share this with others.

Please contact me if you have questions or ideas to share.

Faithful Serving Him,

*Jodi Welch*

# Sunday School Changes

This fall we will be adding singing to Sunday School. Each Sunday ages preschool through 6th grade will meet in the Youth Room at the beginning of Sunday School (9:45am).

We will spend time singing and learning about worship.

We will then break up into our Sunday School classes. You can pick up your child in their classroom each Sunday.

We will be starting a new curriculum this fall (preschool-6th grade). We will be using Answers Bible Curriculum by Answers in Genesis. This is a chronological curriculum that will take the children through the Bible in a number of years. Each age group will be learning the same lesson at their level. Children will learn...

- The Bible is trustworthy
- God's attributes
- Apologetics
- God's redemptive plan
- Life application

Please be in prayer as we make the transition.

# NURSERY / CHILDCARE CORNER

Back to School is here and with it comes many more germs and thus sickness. Please remember our sick child policy:

We are pleased to offer "well baby" childcare. Please do not leave your child or children if they have any of the following symptoms:

- Fever
- Chronic cough
- Vomiting
- Any known contagious rash
- Runny nose (mucus green or yellow in color)

If your child is on an antibiotic and being treated for a contagious illness, be sure they have been on the antibiotic for at least a full 24 hours before leaving them in the childcare area. Please make sure to note on the sticker and alert the staff member if your child is suffering from allergies rather than illness.

Please understand that we have set these guidelines with the best interest of all our children in mind.

Thank you for your cooperation in helping us make it a safe, healthy and happy environment for our children.

**Kari Hanson**  
Childcare Coordinator
